

## Armenian Genocide: What FAITH Means to Me

Today we talked about how God preserved the Armenian people and was with them even in the Genocide, just as he was with Job. We said that even though we don't see God, it does not mean he has left us. As it says in Hebrews 11:1, "Now faith is being sure of what we hope for and certain of what we do not see." We hope in Jesus and we are sure God is with us because we believe in Him.

*For each letter of the word FAITH, write a word or sentence describing what FAITH means to you. You may write one word, or you may write a phrase/sentence.*
